Faculty Research Small Grant Program

Call for Research Grant Proposals

The Faculty Research Small Grant Program provides seed funding up to \$5,000 for faculty research projects. Funds can be used for supplies, equipment, software, or travel expenses incurred in carrying out the research. Faculty Research Grant Committee members individually read and rank research proposals using a rubric to make funding decisions. The calls for proposal are every fall and spring semester.

Spring 2019 Call for Research Grants

The call for Spring 2019 research grants has closed. The next call for research grant proposals will be Fall 2019.
