Dear Glynnis Johnson Haley:

The American Academy of Nurse Practitioners Certification Program (AANPCP) is pleased to notify you that you have met the requirements for recertification as a Family Nurse Practitioner. Your certification continues to be effective from your original date of certification and has been extended for an additional 5 years. Your AANPCP certification is now valid from **August 1, 2001 through July 31, 2021**.

You are entitled to use the credentials NP-C to designate your National Certification status. These credentials are to be used only by those who maintain active certification status with the American Academy of Nurse Practitioners Certification Program (AANPCP). Your certification number is **F0801208**. Please refer to this number in any correspondence concerning your certification. A wall certificate and a wallet card indicating your certification status as a Family Nurse Practitioner are enclosed.

As a Certificant, it will be your responsibility to maintain your On-line Profile with current information and notify AANPCP of changes to your information.

We are pleased that you have chosen to continue to demonstrate your commitment to the high standards and scope of practice reflected by AANPCP Certification. If you have any questions or concerns, please contact AANPCP at (512) 637-0500.
