**Subject:** Quality Matters Workshop - Planning

I plan to teach one or two Applying the Quality Matters Rubric workshop(s) before the end of the semester. It is a 7-hour workshop, 9 AM – 4 PM, (required by Quality Matters to get the certificate). There is a minimum of 6 participants to teach a workshop. If you have any faculty who teach an online course, please encourage them to be QM certified. The workshop is about the design of course content from the lens of the learner. Faculty will find that the concepts apply to blended and face-to-face classes, too. CTL supplies all of the workshop materials. The workshop(s) will be held in library 376, the CTL classroom.

The names I have so far are:

Frank Richardson

Ernie Kaninjing

Elissa Auerbach

Nicole DeClouette

Miriam Jordan

Paulette Cross

Please let me know if you have faculty who would benefit from the workshop as soon as possible. (BTW – there is a 2-week online version of the workshop. The fee is \$200 and covered by the department).

Thank you, Jeanne

**Subject:** Fw: Quality Matters Workshop - Planning

Please let me know if you are Quality Matters Certified. You can either attend the face to face class, or if it would be easier and work into your schedule then let's ask Jeanne is assist with getting things set up for the online version. This will look good in your tenure and promotion package.

**Subject:** QM workshop

Debby, I am planning a Quality Matters workshop on January 9 (hopefully another the 10 or 11. I believe you have some faculty who have not completed it, yet. I am copying Gail, because she is not QM certified. Can you contact faculty to see if you have anyone available? Thanks, Jeanne

**Subject:** Important Please Respond: Quality Matters Certification

Hello:

All nursing faculty are required to be Quality Matters Certified. I know that many of us completed this training over the last 2 hours, but I think we have a few who have not completed the training. Jeanne Sewell is working to arrange a workshop for January 9th (and possible two other offerings as well on the 10th & 11th).

If you have not completed this training (it needs to be indicated on your Digital Measures CV) please let Tracy know your availability on the above dates so that she can let Jeanne know. You need to do this before leaving for the semester break.

Thanks,  
Debby
