Nurse Midwifery Students: your commitment of time and expertise this semester is greatly appreciated. We value your feedback so that we may continue to improve your learning experience and that of our future students. The following is a brief feedback survey that will give you the opportunity to help us assess preceptors, clinical sites, and our program. Please select only the best response for each question and elaborate with examples whenever possible. Thank you!
 Please contact the Nursing 7300 Course Coordinator at Monica.Ketchie@gcsu.edu or 478-445-3911 for any questions or concerns we can assist you with.
