

Addendum Criterion VI B (B.1, B.2, B.3)

B. The program will maintain and publicizes accurate, current data on student outcomes. This information must be posted and hyperlinked on the midwifery program web pages. Data to be measured and publicized will include:

Information related to data on student outcomes is collected on an ongoing basis and published on the Georgia College webpages and in the GC Fact book. This information will be updated annually in the following locations by the following individuals/offices. The web pages for GC and School of Nursing are currently undergoing revision and updating and this content will be updated during summer 2020. All information is presented to nursing faculty annually for review and to School of Nursing Advisory Board.

B.1. Graduation data, for both full-time and part-time students.

The Midwifery Program Coordinator will update data at least annually, to ensure that GC SON midwifery website publicizes accurate and current data on student outcomes. Data will be shared with University leadership, the CoHS, NFO, and the Admissions office to communicate accurate student outcomes. Data will be linked on the School of Nursing web page for the NM program that will show graduation data for both full-time and part-time students.

B.2. Program’s Aggregated Annual American Midwifery Certification Board (AMCB) pass rates for first time takes and retake pass rates.

Passing rates will be collected for first-time and retake pass rates and join the EE committee collected data. Starting in 2022, aggregated annual AMCB pass rates will be available on the GC Institutional Research Webpage. Examples of existing Family Nurse Practitioner program can be viewed currently at <https://irout.gcsu.edu/stuach16/SACS-1001.7b.html>

B.3. Program-specific data related to program philosophy, mission/purpose and objectives/outcomes for marketing or public disclosure purposes.

All GC SON program-specific data related to the program philosophy, mission and outcomes will be available to the public from a link on the GC SON Midwifery website for marketing purposes. This data will also be incorporated into the 2020-2021 GC Graduate School Catalog. Information regarding the current SON Mission and Vision Statements for existing programs can be viewed at <https://www.gcsu.edu/health/nursing>. Once the NM program is approved this information will be displayed on the NM home page.
